Residential Inspector's Guide To Codes, Forms, & Complaints (Residential Inspector's Guide To Codes, Forms, And Complaints)

Synopsis

A must-have for the desk of every successful building inspector, as well as the technicians that assist them, *The Residential Inspector's Guide to Codes, Forms and Complaints* provides a practical guide through the tools and techniques of accurate, consistent, and efficient code violation documentation. From filing charges for non-compliance to obtaining administrative search warrants to condemning unsafe properties, inspectors today need to be able to pursue violations in an appropriate manner, but are often required to do so with minimal legal training. This valuable resource fills this gap by offering a complete set of the notices, letters, complaints, and other documents that are critical to the effective enforcement of the most common problems facing inspectors today.
