# Requiem For Immortals (The Law Game Book 1)

## **Synopsis**

Professional cellist Natalya Tsvetnenko moves seamlessly among the elite where she fills the souls of symphony patrons with beauty even as she takes the lives of the corrupt of Australia's ruthless underworld. The cold, exacting assassin is hired to kill a woman who seems so innocent that Natalya can't understand why anyone would want her dead. As she gets to know her target, she can't work out why she even cares.

## **Customer Reviews**

Warning: May contain spoilers. Lee Winter, you evil mastermind, what have you done to me? How do you come up with these ideas? What goes on in that brain of yours? My head is still reeling after having finished the book and I can't focus on my everyday tasks because my mind is consumed with this book. I stayed up late into the morning hours to finish it and had a restless night tossing and turning. I can't stop thinking about it. THIS BOOK. It's like nothing I'd ever read before, not just plotwise. If anyone has ever read The Red Files, you'd know how well this author

can write but she takes it a notch higher with Requiem for Immortals and does it so well, so beautifully, so poetically. Requiem/Natalyaâ ¡l donâ ™t even know where to begin with her. My review wonâ ™t do her character justice. Youâ ™ll just have to read the book yourselves to really feel who she is, to get into her mind, to know her thoughts, to understand why she does what she does and whatâ ™s made her who she isâ ¡this beautiful, thoroughly flawed yet perfect creature. As for Alison, I loved her character development throughout the book. Iâ ™ll admit, a part of me misses that older version of her in the parking lot under the rain the first time â “ the awkward, shy, unsure of herself Alison. Itâ ™s so endearing. This book will make you cry, itâ ™ll make you laugh, itâ ™ll make you gasp with the twists and turns in the plot you didnâ ™t see coming, but more importantly itâ ™ll make you FEEL all kinds of things (ahem, Requiem). There has only been one other book in this genre thatâ ™s made me feel this much at this magnitude. Requiem for Immortals just does something to you no other books will ever come close to doing. At least not for a while, for me at least. At the end thereâ ™s a list of the soundtracks used throughout the book.
