Clint âœThe Cowboyâ • Maddox is a force to be reckoned with. Enforcer for the Sanitini family, the cowboy has known only violence, pain and death. But for a select few he calls âœbrothersâ •, Clint feels no love for mankind and believes that âœan eye for an eyeâ • is the only true means of retribution. âœLet the punishment fit the crimeâ™ is his philosophy when dealing with his enemies. But upon meeting Axel Anders, a frightened and lost young man with a stained soul of his own, Clintâ™s hard-as-steel exterior begins to crack as he finds himself intrigued by the effect this vulnerable âœkidâ • has on him. Yet when Axelâ™s presence begins to disturb the ground beneath which Clintâ™s darkest, most painful memories have lain dormant for over two decades, he begins to understand that the young man poses a greater threat than any flesh and blood enemy âœand knows he must put the kid out of his life, or face a resurrected past that he believed to be dead and buried. But walking away from Axel and not looking back âœproves to be a much greater challenge than he is prepared for. NOTES: The Cowboy Gangster is an M/M romance series. Though the romance in this series is beautiful, if you are looking for strictly "fluff" romance, you won't find it here. Contains strong adult content.

Customer Reviews

I bought this because it sounded interesting, and at 99 cents, how bad could it be? Bad, it turns out. Why do so many wanna-be writers fail at basic writing skills? Or fail to get help from the many excellent books on how to write? If you want to write M/M erotic romance, make it good. Learn how to write, first. This book fails on every imaginable level, primarily due to lack of training. Want to get a terrific advice on M/M writing? Get Josh Lanyon's book "Man, Oh Man, Writing M/M for Kinks & Cash." No, I have no ties with Mr Lanyon except to appreciate his writing abilities. What's wrong with this endless series? Everything from the egregious use of random quotes, italics and repetitive profanity, to poor language skills, (not least) to boring, repetitive sex scenes. The author commits every writing sin possible. Puppies and babies used as sentimental props are not a substitute for good, in-depth characterization and plot. A little subtlety would have been a relief from being bludgeoned with emotions. Every character twitches, trembles, shudders, weeps tears enough to fill Lake Tahoe, swallows thickly, speaks thickly, and during sex says not much besides, "uuuuh, f***, harder". It became laughable. Tab A, Hole B. Add unexpected contortionist skills. Not even good porn. The only female character in the first 1/3 of the book (as far as I could stand to read) is annoying, rude under the guise of teasing, and shallow. Her uncle (a randomly introduced character) should have locked her out of his house. But since he was another hunky but trembling victim of his emotions, and in the throes of his newly found and brutal love, he let himself be a doormat.
