Women like King had lived it up to their dreams! and women can definitely control in our male manipulated society, where sexism and misogyny are still very common. As wonderfully put by another powerful book I've recently read Beasts of Prey: The Hard Truth about Men, where it is shown how women could not even control their own body, not to mention relationships, marriages, divorces, birth control, family issues, business and careers issues...Today, unfortunately, some men still abuse their powers and cheat on women, trick, and manipulate them to gain their control in society and culture, and it is not just sexual control. Such men have not progressed anywhere from the situation discussed by the wonderful The Second Sex. Some men, like the sexist Trump Crippled America: How to Make America Great Again, still believe that stereotyping women (like what he did with Megyn Kelly when he mentioned her menstruation in an interview) and denigrating them (like what he did with Hillary Clinton when he compared her with a barking dog in his ads) is the right way to go! Honestly, I feel so sorry for Megyn Kelly who was probably "forced" by Murdoch/ O'reilly and co.
