# Religious Therapeutics: Body And Health In Yoga, Ayurveda, And Tantra (SUNY Series In Religious Studies) (Sunny Series, Religious Studies)

## Synopsis

Religious Therapeutics explores the relationship between psychophysical health and spiritual health and presents a model for interpreting connections between religion and medicine in world traditions. This model emerges from the work's investigation of health and religiousness in classical Yoga, AĀ-yurveda, and Tantra-three Hindu traditions noteworthy for the central role they accord the body. Author Gregory P. Fields compares Anglo-European and Indian philosophies of body and health and uses fifteen determinants of health excavated from texts of ancient Hindu medicine to show that health concerns the person, not the body or body/mind alone. This book elucidates multifaceted views of health, and-in the context of spirituality and healing-explores themes such as mental health, meditation, and music.

## Book Information

Series: Suny Series, Religious Studies

Paperback: 238 pages

Publisher: State University of New York Press (March 29, 2001)

Language: English

ISBN-10: 0791449165

ISBN-13: 978-0791449165

Product Dimensions: 6 x 0.5 x 9 inches

Shipping Weight: 14.9 ounces (View shipping rates and policies)
