Blue Moon: Too Good To Be True

Synopsis

Angel DeLucca is one of the most sought after gay bachelors in Virginia Beach. He's smart successful, lethal, and more than anything he's drop dead gorgeous. Angel has his pick of the men that come to his popular Oceanfront night club, but lately the one night stands haven't been enough...Angel craves something deeper. When a one night hook-up goes terribly wrong, Angel comes into contact with the breathtaking Maximus (Max) Strong. Max is a firefighter for the Virginia Beach Fire Department. Max is beautiful, charming, and also very straight. One meeting with the mysteriously, sexy Angel DeLucca and a whiff of that silky, jet black hair, Max finds himself questioning everything he's known to be true about himself. Max tries desperately to understand the new feelings he has for another man and turns to his gay, older brother...Ryker. Ryker has always been Max's protector and his guide their entire lives, which has left him feeling uncared for and alone to handle his own life's problems. Ryker craves to be taken care of, he craves the attention and praise of a Master. No one knows the dark desires within him until Angel's Chief of Security, Sebastian 'Bass' Bagatelli, shatters that secret with their first intense encounter. How will Angel win the heart of the straight firefighter that was tailor-made just for him? Will Max be able to continue denying his feelings for another man? Can Ryker and Bass get through their personal issues to take and receive what they both need from each other? Or will they each give up on a happiness that appears too good to be true? These men's stories will unravel in a whirlwind of romance, bdsm, revelations, lots of action and very hot sex, co-starring very entertaining supporting characters.

Customer Reviews

This first book by A.E. Via is somewhat extraordinary. She has managed to include an enormous amount of romance, plain vanilla and light BDSM together with not one, not two, not three, but four dramatic instances of danger into one delightful and well written novel of ordinary length. And she does it in a simple and straight forward manner that makes reading it both entertaining and enjoyable. The story line follows two brothers, Max, a fireman who has always considered himself straight until he meets and falls in love with Angel, an exotic and beautiful owner of a very popular and plush dance club. Their story develops primarily in Part 1. The other brother, Ryker, who is older than Max and has been his substitute father while they were growing up, is gay and a very successful owner of an accounting business; he meets Bass, who is Angel's head of security for his club and he finally finds a Dom whom he can trust with his submissive desires. Their story develops mostly in Part 2. There are also many side characters who are extremely important to these four loving men. Part 3 brings all four characters and the other related people together in a heart stopping drama of kidnapping and rescue. The author has said that she had both couples fall in love immediately and that people might not feel that insta-love is real. I don't normally talk about my personal life in a review, but I am making an exception in this case. I met my life partner on a Memorial Day weekend and we experienced insta-love that has up to now lasted 46 years. Last July we were finally able to marry in Delaware. So this author's desire not to put a lot of angst into the couple's coming together and finding love immediately is not a far fetched idea even outside of fiction.
