The Billionaire's New Slave - Book 3: Training (gay BDSM)

Synopsis

Nolan's training continues and brings many changes with it, including a new beauty and health regime. His submission to Donovan grows deeper and more intense. When Donovan is at the office, Nolan spends a lot of time in the office of Patrick, the chief of security. One evening, the security team decides to inspect the newest member of the household. The men are rough and thorough. They give Nolan a taste of what's in store for him if he's ever handed over to them without Donovan or Patrick keeping a eye on things. Nolan is also introduced to Aaron, one of Patrick's favorite submissives. The following scene is intense and requires Nolan to handle Donovan and Patrick at the same time. Donovan, meanwhile, enjoys training his newest toy and tries hard to ignore his growing attachment to Nolan.

This is the first book I have read from this author. Does anyone know if this is a pseudonym for Derek Vaughan? This book is almost identical to the series "Billionaire's New Toy". Even the title names are almost the same. I can sum up why I didn't like this book in a few thoughts: 1) I cringe each time this author writes "BDSM" or refers to Patrick and Donovan as "Doms". No, just no. This

is not BDSM. It's cruel, abuse, by a bully. And the author continuously writing how much Nolan loves it doesn't make it consensual or BDSM.2). One dimensional writing - in the books of this series that I've read, it's just one bully scene after the next. No character development whatsoever. We are on book 3 and know NOTHING about Donovan or Nolan. The idea hinted at by the author, that Donovan is becoming attached is just ludicrous. Attached to the abuse, sure. But attached to the person? Nah... he hasn't bothered to have a single conversation or get to know his target at all.3). Poor Editing - this is one of my pet peeves. The grammar errors are distracting and totally avoidable. Have someone proof the book, even if you don't want to hire an editor. If readers are looking for a great read about BDSM where the Dom is a sadist, this is NOT it. Even after stumbling through the grammar errors, you won't fall in love with these characters, you'll only read one abuse scene after the next. If you are a reader that gets off on abuse and a bunch of "no emotion" sex scenes, then have at it, but don't call this BDSM.

This series just gets hotter and more wicked. Even though punishments continue to come hard and frequent for the slave, it looks like the tuff ol' dominant may be softening a little. Hurry, hurry ... I need book 4!!
